

Community initiatives Café

Sponsored by

Exhibition Hall A

PROGRAMME 2010

Tuesday 22 June

Theme: Tackling ASB

- **Southend Borough Council and South Essex Homes** will be showcasing 'Motivate the Estate' – a motivational coaching scheme for young people – the 'Family Intervention Project' – working with families accused of committing ASB – and 'THINK' – South Essex Home's new interactive game used to show young people the impact of ASB on the community.
- **Hackney Homes and Pinnacle PSG** will be showcasing initiatives such as 'Scoop the Poop' – tackling dog mess on estates – and their many exciting youth projects using the arts and sport.

Wednesday 23 June

Theme: The environment

- **Envac UK** will be in the café to talk about their pioneering environmentally friendly waste management scheme which has benefited many social housing and mixed tenure developments around the world, most recently in Wembley, London.
- **City West Homes and Pinnacle PSG** will be showcasing their fantastic biodiversity projects undertaken on estates in Westminster, including creating an inner-city meadow, community planting projects and a bird box scheme.

Thursday 24 June

Theme: Tackling worklessness

- **Pinnacle People** and their partner organisations will be in the café talking about how they operate at the heart of communities to help people into work through specialist training, development and support networks.
